## PRESS RELEASE

### Rear Admiral Richard O'Hanlon Appointed as Talon Air's Chief Operating Officer

**Farmingdale, New York – October 5, 2011:** [Talon Air](#), a leading private jet owner and operator announced today that Richard O'Hanlon has joined the organization as Chief Operating Officer.

As COO, Mr. O'Hanlon is responsible for the oversight and efficiency of the Company's operations and ensuring the best use of the Company's resources. He is also tasked with overseeing Talon's aircraft management and jet charter clientele. Mr. O'Hanlon will work closely with each department manager to ensure that strategic and organizational requirements are met. He will be responsible for three segments of the Company, including [jet charter](#), operations and Talon Air's Part 145 Repair Station.

"We are grateful to have Rich join our Talon Air team. With his vast experience in flight operations and unique management skills, he will ensure increased productivity of the company," says Adam Katz, Esq., CEO and President of Talon Air. "His proven leadership experience is the perfect fit for Talon Air."

Mr. O'Hanlon is a retired US Navy Rear Admiral and the recipient of the Distinguished Service Medal, Defense Superior Service Medal, five Legions of Merit and two Bronze Star Medals, among other numerous commendations and awards. He was a test pilot and carrier-based fighter pilot accumulating over 4000 hours in high performance aircraft. He also commanded two ships including the nuclear powered aircraft carrier, USS Theodore Roosevelt. His last Navy assignment was Commander, Naval Air Force Atlantic, where he was responsible for all aspects of Naval Aviation in the U.S. Atlantic Fleet. He is a graduate of the U.S. Naval Academy and the U. S. Naval Test Pilot School.

"I am pleased to be working with such an extremely experienced staff," says Richard O'Hanlon, Chief Operating Officer. "Talon Air has is an impressive organization that provides our jet charter, aircraft management and [aircraft maintenance](#) clientele with a highly personalized service. I look forward to being a part of Talon Air's continued growth."

#### About Talon Air, Inc.
